Please note that in order to meet your requests, our representatives or subcontractors need access to your home during regular business hours. A mutually acceptable time will be arranged in advance, in order to complete the necessary work. Failure to do so may jeopardize your warranty rights. In some cases, an item listed on this form may not be warranty related. Any item may be verified by our service personnel to assess its warrantability in accordance with the Tarion Construction Performance Guidelines. A contracted trade professional will reserve the right to change for visits that are NOT warranty related.
